

Back to School Bash

The Sumter Police Department believes that education is the foundation of success and our annual Back to School Bash serves to energize and excite students about a new year of learning. Officers and staff look forward to interacting with youngsters in a fun-filled morning at a local park. Scheduled before the start of the new school year, it also gives students and parents an opportunity to meet and learn about local public service and public safety organizations. For more information, contact the department at (803) 436-2700.
