

Holiday Service Projects

Mile for a Meal is held annually prior to Thanksgiving to help fill the shelves of local food banks. Residents are encouraged to bring non-perishable food item and walk a mile at a local business on the day of the kick-off event. Food items can also be dropped off at designated locations.

Cram-A-Cruiser helps to ensure that every child in Sumter can have a toy for Christmas. Officers will park a vehicle at Walmart and other local businesses on Saturdays leading up to Christmas to collect toys to be distributed locally by the Salvation Army.

For information about holiday and other department community service projects, contact the Sumter Police Department at (803) 436-2700.
